## ARTIST BIO

Vibralocity is a dancefloor conductor and a purveyor of sound. Each performance by Vibralocity is a carefully curated story; a journey told through music that vibrates the body and touches the soul.

As a DJ, Vibralocity seamlessly blends songs; weaving a sonic tapestry that entices the audience to move and groove.

As a producer, Vibralocity is able to express himself through music that is raw, authentic, and emotional. He isn't afraid to bare his truest self to those who listen.
